1. Steps in Processing for Dissertation / Thesis Proposal Examination (For Students)

Student submits all documents required to the Graduate Study Section (GSS) Staff.

Documents consist of:

- Ph.D.4 / M.N.S.4 (identify date and available time of Major advisor,
 Co-advisor(s) and program chairperson)
- 2. Copies of thesis proposal. Number of copies equal to number of examination committees (M.N.S. = 6 copies Ph.D. = 7 copies)
- 3. A copy of # training / examination of English (TEGS / TOEFL / IELTS)
- 4. A copy of # non-credit registration receipt for the present semester
- 5. A copy of # ethics training document (required for student code 50 and over)
- 6. Only Ph.D. students need additional documents of the co-advisor who is/are working in an overseas university. The details are as follows: # name, surname, e-mail address, official address / or home address.
- GSS staff will call or e-mail the student regarding the examination schedule. The estimated time for receiving information is 1 week after student submits the examination request. However, the date and time for examination will depend on the available time of the examination committee.

After received examination information from GSS staff by call or e-mail, student asking for copy of examination committee announcement and #student proposal at GSS office (If student did not receive a call or e-mail after submitting the examination request for over 1 week, the student may ask GSS staff at 053-946065, 053-949079, 053-949115)
