

5. Steps in processing for graduation

Student submits all required documents to # Graduate Study Section (GSS) Staff.

Documents consist of:

1. M.N.S.1 / Ph.D.1
2. Copy of receipt from STSC-CMU (PDF file / CD-ROM) - 2 copies
3. M.N.S.11 / Ph.D.11 Report of Dissertation / thesis publication form. (IS not required but student can submit if she/he has it)
4. Copy of dissertation / thesis publication from the Journal
5. Approved symbol abstract (the original and one copy)
6. One copy of student authorize form for copyright of thesis / IS to Graduate School, CMU.
7. Completed graduate student questionnaire
8. Measurement data form with original measurement
9. Student history form

Student wait for transcript, information or schedule for commencement day

(address for contact should be submitted to GSS before leave)

Note :

- Students who need to attain commencement day (next January) need to graduate by September each year.
- Students who did not need to pay for service of CMU in first semester, should finish their Thesis / IS examination before the first day of first semester. In addition, students should submit the complete Thesis / IS within 30 days after the first day of first semester (or before the last date of registration for payment of CMU service in first semester). All requested documents need to be submitted at GSS, FON before 1 week)
- Students who did not need to pay for service of CMU in second semester, should finish their Thesis / IS examination before the first day of second semester. In addition, students should submit the complete Thesis / IS within 30 days of the commencement of second semester (or before the last date of registration for payment of CMU service in second semester). All the requested documents need to be submitted at GSS, FON before 1 week)
